TERMS & CONDITIONS

We know that planning your wedding is one of the most meaningful decisions you'll ever make, and it's important to feel confident in every detail. Our terms and conditions are outlined below, but please feel free to ask us as many questions as you need so you feel completely confident in your choice before making a commitment.

If one of our packages doesn't quite capture your vision, we also offer an extensive selection of alternative venues within our bespoke range where, every element is carefully tailored to your wishes, ensuring that Weddings by Falcon is the perfect partner to bring your dream wedding in Türkiye to life

Package pricing

Our packages are thoughtfully designed for intimate celebrations of up to 30 guests, including the bride and groom. For weddings with more than 30 guests, the additional per-person fee will apply. Please note that only the venues listed under each package are available within that package. However, we also offer a wide selection of stunning alternative venues through our bespoke range, and we'll be delighted to create a tailored quote to suit your chosen setting.

For our 'Pure' and 'Signature' packages the extra person fee is applicable for any person over the age of 3 years old who require a seat. For our 'Luxe' package, there is a separate adult price for over 18 year olds, and a child price applicable for age 3-17 years olds.

Legal Documents & Requirements

For legal ceremonies, the assistance in filing your documents in Turkey is included within your wedding package. There is one document for each of the Bride & Groom that is required to be completed and legalised before you arrive in Turkey. We provide and include assistance and advice about this process and provide the document that's required however the cost of this is not included and can vary depending on the local charges in the area where you live. The document required varies depending on your nationality and country of residence so this question will be asked during enquiry stage for us to advise correctly.

Upon arrival in Türkiye, you will need to attend a few appointments to complete the legal requirements for your marriage. We will personally accompany you throughout this process, and there is no additional charge for our assistance. Please note that you must arrive at least 2-3 business days before your wedding to allow sufficient time for these formalities.

If this is not possible, let us know as soon as you can. In some cases, we may be able to arrange expedited 'next-day' documentation for an additional fee. However, this depends on the availability of local appointments and therefore cannot be guaranteed.

Turkish law requires both the bride and groom to undergo a blood test before marriage. In some regions, foreign couples may have the option to sign a medical waiver instead. While we always do our best to arrange a waiver for our couples, please be aware that a blood test may still be required if a waiver is not available, or if there are last-minute changes to local regulations that have not yet been communicated to us.

Deposits & Payments

To secure your wedding date with the venue, our planning team, the local authorities (for legal ceremonies), and any third-party suppliers, a non-refundable deposit is required. The amount of the deposit depends on the package chosen and is given on the pricing page. The remaining balance is due 8 weeks prior to your wedding date. Additional services can still be added after this point, but full payment will be required at the time of booking these.

Payments by instalments can be arranged if necessary, please ask for more information if you do require payment by instalments.

Balance payments must be received by the balance due date to avoid late payment charges. If you foresee difficulties making payment by the given due date please let us know as soon as possible and we can discuss your option.

Cancellations & Changes

You can upgrade your package to a higher package at any time by paying the difference in deposit amount or balance amount (subject to availability of third-party suppliers). Downgrading of packages to a lower package is permitted providing it is done before the balance due date of 8 weeks prior to the wedding date. Downgrades of packages are not permitted within 8 weeks of the wedding date. Changing your choice of venue is permitted at any time but will incur a fee which varies depending on the venues and notice period. Please ask if you would like to change your venue and a quote for the fee will be given.

Cancellations made more than 8 weeks before the wedding will result in the loss of the deposit only. Cancellations made after the final balance has been paid (within 8 weeks of the wedding date) will result in the loss of all monies paid. For your peace of mind, we strongly recommend arranging destination wedding insurance, which may provide cover in the event of unforeseen cancellations.

In the unlikely event that Weddings by Falcon must cancel your booking, a full refund of all monies paid will be issued.

In the unlikely event that Weddings by Falcon need to make any changes to your booking we will offer you suitable alternatives to consider. If it's considered a major change such as a date or a venue, then you have the option to agree to the changes or cancel and receive a full refund. If the change is considered a minor change such as a decor item or flower type, then we will work with you to organise a suitable alternative at no additional cost to you, however a refund will not be offered.
